

# XFUZION FINANCE WHITEPAPER

# 4 Ways to Earn:

1

## Xfuzion Token

A store of value token,  
simply buy and hold XFN  
with PLS, to receive  
reflections and increased  
value over time

2

## Xfortune

Deposit your Xfuzion tokens  
to be in the running to  
potentially WIN!  
Burning 20% of XFN each  
round to support the token

3

## ????

A new project in development  
that will enable everyone to  
WIN, it's trustless, zero fees,  
contract will be renounced  
and you only require 150 Billion  
XFN to qualify

4

## X-Yield

Depositing into the  
liquidity pools, to earn  
passive income with our  
very competitive APR's

# Xfuzion XFN Tokenomics:

- 1 Quadrillion tokens on launch with 9 decimals
- 49% is sent to the burn address, that automaticall re-balances it's supply to 50% of the token ownership, when it reaches 51% (XQuantum)
- 1% is towards marketing and development
- 25% is locked liquidity for Xfuzion/PLS on PulseX (The Reserve)
- 25% is towards the presale, for early investors to add liquidity

# Xfuzion Tokenomics:

Tax on Buy & Sell = 10%

- 5% reflections to holders
- 5% is sent to the reserve adding liquidity

# Xfuzion Tokenomics:

## Tax on Transfers = 5%

- 3% is sent to the reserve for liquidity
- 2% is sent to the burn contract XQuantum

# X-Yield Liquidity Pairs:

**Liquidity pairs on offer with a 1% tax on deposits & 2% on claims for the native  
With a 3% Tax on both deposits & claims for the non native LP pair**

- XFN-WPLS LP
- XFN-DAI LP
